Confederates Undefeated

Andrew Jackson Academy football teams ended the season undefeated. The Junior Varsity team finished the season 9-0. The Varsity team finished the season 11-0. They are headed to the play-offs! We searched and searched for a better team photo, but couldn't find one. We are guessing it's because they were always on the run with the ball. Congrats to Coach Allen Sitterle and all of the players!

Spirit Week was a Success

Spirit Week kicked off on October 19th! On Monday, everyone dressed up as their “Favorite Character or Super Hero”. For Tuesday, they dressed in their “Favorite Color” or paired with a classmate for “Perfect Pair”. Wednesday, we all traveled back in time as everyone reminded us of people that lived “Way Back When”. Thursday, we showed school spirit by wearing our school colors! Check out all of the fun photos on our facebook and instagram pages!

Harvest Carnival or Haunted Schoolhouse

The Harvest Carnival was nothing short of spooktacular. There were ducks swimming, toilet paper was flying, and candy around every corner. The screams coming from inside the haunted schoolhouse were enough to make anyone want to hide in the school’s gym. The junior class knows all of the best scare tactics. Jackson Brandt was this years Harvest King and Mary Gray Hiers was the Harvest Queen. The costume contest winners were: The Kinard Sisters dressed as scarecrows won “Best Overall”. Izzy and Jackson Brandt, the Starbucks Duo, won “Most Creative”. Ollie Barnes, the Werewolf, won “Scariest”. Chasity Rice won the grocery raffle. If you missed this year, you’ll certainly want to make plans to attend next year.
